

🧠 code-review-agents (central repo – the brain)

agents/_core – shared engine (runReview)

agents/security – Agent 1 logic

agents/review/branch.js – Agent 2 logic

agents/review/pr.js – Agent 3 logic

3 reusable workflows (security-review · pr-review · branch-review)

📦 Target repos (news, ai-receptionist, ...)

pr-security.yml (caller)

pr-review.yml (caller)

branch-review.yml (caller)
